 - Major: Board Certified Behavior Analyst
- California State University, Northridge (2005-2007)
 - Major: Clinical Psychology
 - Degree: M.A.
 - Honor Program: Psi Chi;
Golden Key International Honour Society;
Dean's List (2005)
- San Jose State University (2003-2005)
 - Major: Psychology
 - Minor: Sociology
 - Degree: B.A.
 - Honors: Psychology Departmental Honors; Dean's Scholar (2005-2006); Cum Laude
 - Honor Program: Psi Chi

Professional Certifications

- Board Certified Behavior Analyst-Doctoral (BCBA-D) 2012-present
Certification #: 1-10-7118
- Board Certified Behavior Analyst (BCBA) 2010-2012
Certification #: 1-10-7118
- Licensed Mental Health Practitioner (LMHP) for the State of Nebraska 2012-voluntary inactive status (due to relocation outside of the USA)
Certification #: 4026

Professional Experience

- Clinical Psychologist / Behavioral Consultant / Supervisor (December 2013-present)

Duties:

- Provides ongoing supervision for those seeking BCBA/BCaBA certification.
- Specializes in students/supervisees working internationally with culturally diverse clients.
- Provides behavioral consultation services internationally (i.e., Vietnam, Singapore, Kuwait, Korea, Hong Kong, U.K.).
- Conducts psychological assessments (i.e., Psycho/Educational, ADHD, ASD/Developmental, and Anxiety/Depression screening).
- Staff training (e.g., therapists, teachers, paraprofessionals, caregivers, etc.).
- Teletherapy CBT and ABA-based sessions.

- Adjunct Faculty: Ball State University (April 2014-May 2017; January 2019 – Present)

Duties:

- Teaches online university courses in Applied Behavior Analysis to students working toward a Masters in ABA (emphasis in Autism) and certification in behavior analysis (BCBA).

- Adjunct Faculty: Pepperdine University (December 2019– Present)

Duties:

- Teaches online university courses in psychology and practicum courses to students working toward a Masters in Behavioral Psychology and certification in behavior analysis (BCBA).

- Adjunct Faculty: UMass Global (July 2022– Present)

Duties:

- Teaches online university courses in Applied Behavior Analysis to students working toward a Masters in Education and students seeking certification in behavior analysis (BCBA).

- Pediatric Psychologist & Behavioral Consultant: OT&P, Hong Kong (April 2014-December 2018)

Duties:

- Worked for a well-established medical practice providing clinical services that utilize evidence-based behavioral interventions to address the needs of children and their families.
- Provided comprehensive assessments and diagnostic evaluations of Neurodevelopmental Disorders (e.g., Autism Spectrum Disorder, Attention-Deficit/Hyperactivity Disorder), depression, anxiety, psychological/behavioral profiles, and psycho/educational assessments.
- Provided individual and family therapy services that utilize evidence-based behavioral and cognitive-behavioral treatments to help families meet their goals.
- Specialized areas included: anxiety, depression, academic and school-related behavior problems, habit and tics, ADHD, toilet training, autism spectrum disorders/developmental disabilities, toileting problems, oppositional defiant disorder, fears, and phobias, feeding problems, disruptive behavior disorders, obsessions and compulsions, sleep issues, parent training/education, Parent-Child Interaction Therapy (PCIT), and staff training.
- Provided education and training to pediatricians within the practice to increase awareness of mental health issues and evidence-based treatment services.

- Director of Clinical Assessments / Pediatric Psychologist & Behavior Analyst Consultant: Learning Strategies, Vietnam (August 2012-December 2013)

Duties:

- Worked with a multidisciplinary team providing clinical services to children and families.
- Provided comprehensive assessments as well as individual and family therapy services that utilize evidence-based behavioral and cognitive-behavioral treatments.
- Development and delivery of staff training presentations and standardized materials.
- Supervised employees working toward their BCaBA certification.
- Training of a master level interns and 1:1 behavior therapists.
- Development and delivery of workshops to parents and school staff (middle, elementary, high school, and university levels).
- Led roles on projects collaborating with international service providers, a local charity, and university learning support teams.

- Graduate Internship: University of Nebraska Medical Center (July 2011-July 2012)

Duties:

- Provided services that are behavioral in orientation and integrate systematic, data-based methods into the delivery of clinical services.
- Assessed and treated a variety of developmental and behavioral problems encountered by children and youth such as depression, anxiety, behavioral concerns associated with Disruptive Behavior Disorder, Autism Spectrum Disorder, sleep disorders, as well as toilet training.
- Worked with pediatricians, teachers, and parents training skills associated with Parent-Child Interaction Therapy (PCIT).

- Graduate Research Assistant: University of Nebraska Medical Center (September 2009-July 2011)

Duties:

- Under the supervision of a licensed psychologist, performed clinical and research duties in behavioral pediatrics.
- Learned to effectively work with families and how to assess and treat developmental and behavioral problems. Collaborated with schools, pediatricians, and parents.

University Courses (Lecturer)

- Concepts and Principles of Applied Behavior Analysis / Practicum for Applied Behavior Analysis. Pepperdine University, USA (December 2019 – Present).
- Supervising Human Service Staff / Introduction to Applied Behavior Analysis. Ball State University, USA (2014 - 2017; January 2019 - Present)
- Community Applications of Applied Behavior Analysis. University of Nebraska Medical Center, USA (2012)
- Introduction to Psychology. California State University, Northridge, USA (2006-2007)

Training Workshops & Public Presentations

- Psychological Assessment: ADHD and Learning Disabilities. Presented to Brain Box, Kuwait (online) October 2020.
- Habit and Tic Disorders. Presented to HKABA, Hong Kong May 2019.
- Classroom Behavior Management: Individual and System Levels. Presented to the Clearwater Bay School, Hong Kong, May 2019.

- ADHD and Classroom Behavior Management. Presented to The Children’s Institute and The Harbour School, Hong Kong, March 2019.
- SENIA Conference, Hong Kong Academy, Hong Kong, February 2019.
- Attention, Distractibility, & ADHD. Presented to The Harbour School, Hong Kong, November 2018.
- Three-day workshop. Staff Training on ADHD, Classroom Management, and Token Economies. Presented to staff affiliated with M’Lop Tapang), Sihanoukville, Cambodia Vietnam, August 2017
- Resiliency and Coping with Stress for Tweens and Teens. Presented to parents and staff at the American International School, March 2017
- Executive Functioning and Attention Issues in Children. Presented to parents and staff at the Canadian International School, February 2017
- Positive Parenting. Presented to Dealogic Asia Pacific Limited Staff, Hong Kong, July 2017.
- Behavior Management of Problems Behaviors in the Classroom: Individual Systems Levels. Present to the British Council, May 2016.
- Teen and Tween Depression. Presented to parents and members of HKABA, May 2016.
- Behavioral Treatment for Pediatric Depression and Anxiety. Presented to HK Clinical PsyD Program California School of Professional Psychology (CCSP), AIU, SCOPE, March 2016.
